To increase participation and foster the growth of Roller Derby, it has been decided to remove the entry fee for all Roller Derby teams.

To ensure a fair and equitable competition, a withdrawal penalty will apply to any team that submits a formal registration for the World Skate Games 2026 and subsequently withdraws. The purpose of this penalty is to discourage withdrawals that could negatively impact other participating teams and countries.

The penalty amount is set at USD 1,000 per team.

Each participating team/country agrees to these conditions upon submitting their registration. There is no withdrawal deadline, and this condition becomes immediately effective upon registration.
